

Boeing Business Jet Charter Charter

This Boeing Business Jet (BBJ) features a large living room, master bedroom, second bedroom/meeting room, three lavatories, and a spacious galley. Additionally, this aircraft has over 500 cubic feet of baggage space. With non-stop range to Europe.

In this era of international commerce, global leaders need to fly farther in comfort, be productive en route, and reach business destinations relaxed and refreshed. With nearly three times the interior space of the competition at a comparable price and a range of more than 6,000 nautical miles, the BBJ meets these demands.

Having all the comforts of home ensures that you can maintain personal productivity even when flying 12 hours nonstop. Comforts such as a spacious executive suite with a queen-size bed that allows you to get a good night's sleep. A dining area is perfect for conferences or gracious meals. Private offices are ideal for serious work or quiet reflection. With all the amenities of home, you can meet, eat, sleep, and dine in comfort ... and are sure to arrive at your destination refreshed and ready for business or pleasure.
